Spon Lane Day Nursery – Terms and Conditions

1. Child protection

If nursery staff are concerned about a pre-existing injury on a child they have a duty to talk to the parents about it. If there are continuing concerns about a child's welfare the nursery reserves the right to contact the local safeguarding team without permission of the parents in line with our statutory responsibilities to maintain the health and welfare of each child.

We are unable to legally deny access of a child to either parent/carer unless there is an active restraining order notified and on our file.

2. First aid

Trained first aiders are on site at all times to ensure the safe and appropriate treatment of the inevitable minor cuts and bruises that are part of childhood. Every accident that needs treatment is recorded and staff will ensure you are informed of the circumstances and treatment at the end of the day. If a child has any significant injury to the head you will be informed immediately as it may be necessary to collect your child early.

Sign..... Date.....

Is your child able to have plasters on their skin? YES/NO

Is your child able to have Micropore tape used on their skin? YES/NO

3. Sickness and Medication

Children should not be brought to Nursery whilst they are suffering with sickness, diarrhea or any other infectious illness until their symptoms have been clear for 48 hours. If a child becomes ill whilst at Nursery, a member of our team will contact you by telephone to ask you to collect your child immediately. If we are unable to contact you or other parent/guardian we will call the emergency contacts. If serious and required, we will call the child's doctor.

Although not a requirement, staff are happy to administer medication with written permission but it must be in the original container labelled with your child's name and an appropriate medication form completed each time it is needed.

In addition certain types of non-prescribed medication can be given at nursery, such as to reduce temperature (e.g. Calpol) or offer relief for an allergic reaction or sting (e.g. antihistamine) if necessary. Antihistamine liquid will only be given to children over 1 year of age and only if appropriate.

All medication must be given to the manager or key person and the relevant form completed each day of medication.

A child's attendance at nursery while on medication is solely at the discretion of the manager in keeping with our medication protocol. We ask that children receiving anti-biotics are kept at home for 48 hours from first dose, as some children can become ill in the initial stages of treatment.

For children who have **ongoing medical conditions/ allergies** (e.g. asthma) the parent will be asked to complete a care plan with the key person to support staff if an emergency situation occurs.
